The morning sun shone through our very clean windows this morning! Rob did a great job cleaning our exterior windows. He was prompt, contentious and a nice guy. I would not hesitate to use his services again.

We are so very pleased with Fresh perspective home services LTD! Rob was professional, kind, hard working and courteous. He did an amazing job and went above and beyond and now our home looks like a brand new house on the outside! Thanks Rob for all your hard work...even our neighbours are asking for his contact information! We will definitely use you again in the future!

I can't say how impressed I was with the quality of the work, the attention to detail and the overall professionalism that we experienced today! We have.

We have used many different companies over the years and have not been this impressed in a long long time!

Totally recommend!

Rob was fantastic to deal with. Came promptly, worked very efficiently and neatly, did a get job and was very reasonably priced. I would not hesitate to recommend Rob and Fresh Perspective Home Services for all of your outdoor clean-up needs!

Rob's Company, Fresh Perspective Home Services, was referenced to me, as I needed my roof cleared of moss, and gutters cleaned in preparation for sale. I was not prepared for the fabulous job Rob did to my house. He explained exactly what he was going to do, and professionally carried out and exceeded his task list. I would happily refer Rob to anyone who is in need of this type of service.
